Dear Bill,

Hope you all got home OK.
we got our uniforms today. I got a better fit than I expected. I don't think you will get this letter in time to answer it as we are leaving the 13th. I was on K.P. the next day after I got here. Tell Billy and Cecil & Rex that they neednt ans my letters to them if they havnt already. Russell is supposed to get that belt I ordered for him in a day or two. If he doesnt get it about the middle of this month when the fellow I ordered it from said he would he may not get it.

How is Grandma? Tell her I will write her when I get to Panama. I'll have to close now - will write more next time.

your Bro
John
