Dear Mama,

was glad to get your letter. sure
wish I could have been home before
Grandma died. I guess she is better off
now because she was sick so much
of the time. I got Mildred's letter ok. It got
here about two days after it was mailed.
I wrote dad a letter as soon as I could
but didn't have any air mail stamps.
I haven't received the papers yet but
suppose they will be here in a few days.
I always enjoy reading them.

am glad you got to make the trip to
Jamestown. Hope uncle Newton is getting along
better. Have you ever been to see uncle Henry
since the time we were out there? I sure would
like to see him.

Bill said dad bought a '36 Chevy. guess it
runs lots better than the '31.

I would like to come home for a
visit but will have to wait 15 mo. for that.
am getting along ok though - moved to the radio
bunk house last week. don't have much to do.
one of the fellows here at the station transferred
to the signal Corps last week and that's
why I moved in before I expected to. The

fellow who is going back to the States next mo.
 has a 5th class specialists rating (#6. extra) and
 I will probably get that when he leaves. I
 think I will be able to save some money.
 another fellow and I ordered a transmitter from
 Montgomery Ward today. we're paying \$7. a month
 on it. it should be here some time in Sept.

Hope everybody is ok. Tell them all hello,
 write again soon. nice try to answer all
 letters as soon as I receive them from now on.

Lots of love,

John

Hello Alice -

Thanks for the nice card you
 wrote. I guess it will be nearly time
 for you to start to school again when you
 get this letter. You like to go to school
 dont you? I will write more next time.
 I have some handkerchiefs and some
 pictures that I will send you pretty soon
 if I can find something to mail them in.

your Bro.
 John
