Hella Russell,

How are you? I wrote to you about a month ago - Not getting an answer I thought perhaps you had left the States. I saw in the paper I get from home that you had a furlough.

Do you hear from Bill very often? He hasn't written to me in a long time. I hear from home pretty often tho.

I was transferred to the 40714 Sq. and am doing radio maintenance now. Do you know for Hamby? He is in this Dept. He is from Götting I think, but I don't remember ever seeing him back home.

Answer soon Russell, and let me know how you are getting along - I'll write you next time - Best of luck  
 your boy  
 John
