Dear Alice,

Received your 'v' letter yesterday - glad to hear from you again. - Note that I have a new APO number.

I had some pictures taken in London last month - If they are ok I'll send them along in a few days. - Well, I didn't get to see Kenneth and J. H. this month as I planned but will probably see them next month. I got a letter from Alvin Loyd. He wants to meet me in London. I'm going to try to arrange for him and myself to meet Kenneth and J. H. next month - which will be quite a reunion if we can manage it. - especially if we could have Gerald Hood with us too - - I will let you know how we make out.

I am getting along ok - Still in maintenance where I expect I'll be for the duration - I made a radio for Kenneth which I will carry along with me when I meet him on my next pass.

Hope you are all well - Tell all the folks hello - Love to all,
John
