Dear Mama,

Received your letter yesterday - Sure glad to hear from you again - The farm news was interesting - — would like to be there -

I'm sorry about waiting so long to write - Started several letters at various times but never got any of them finished. I suppose Alice got the 'V' letter I mailed last week.

You should have already received the photos. I will check on them as soon as possible.

I got a letter from Fussell and he told me that he had been transferred back to ground forces. If he comes over this way sometime I might get to see him. — no I haven't seen J. D. or Kenneth again.

I am getting along OK - Still doing maintenance work - am Section Chief now. — am enclosing M.O. for \$100 which will probably help Dad a little while he's not working - Hope you are all OK

Love,
John
