Dear Mama,

I don't suppose I will be home on the fourth after all. I have been working at night for the past three days. From 5 PM to 1:30 - I think my off days will be Sat. + Sunday - I might get to stay home all day Sunday (7th) - I sure hope I can. I haven't been to church since I started to work here - as you know.

What did Uncle Henry say about the farm? I hope he decides to move over.

Glad you got the birth certificate fixed. I may need it before long.

We moved in the new caf. yesterday. It certainly is a large place. ~~Have~~ It has ~~separate~~ separate rooms for baker, butcher, cooks - ect. The dining room seats over five hundred.

I heard from Johnny yesterday. He has made Sgt. and is in Sarasota now.

He said he was going to write you so maybe you have later news from him.

I'll write again before Sat. and let you know what time I expect to get home.

I saw in the paper that T. W. C. is having their graduation today so I guess Bernice will be home this week won't she?

Dorothy said to let her know if I ever had a Sunday off so ~~she~~ I will close and write her.

Love to all

Russell
