Dear Mama,

I made it back in plenty of time to go to work, but I didn't sleep any until Tue. morning.

I had about 45 min. to wait in Knoxville so I looked at the suits in ^{the} stores Willie mentioned. They have some pretty nice outfits. I may buy one the next time I ~~am~~ in.

My off days have been changed again. They are Sun. + Mon. now. So look for me on Sunday (2nd) instead of Sat.

I have heard that we go on a straight six day week the first of next month. I don't know whether we do or not. It sure wouldn't give me much time to spend at home.

I want to send my laundry off this morning - I had better close and get at it. It is already ^{my} bed time. Write if you have time.

Love

Russell
