

98TH RECONNAISSANCE TROOP
98TH INFANTRY DIVISION
CAMP BRECKINRIDGE
KENTUCKY

12/2/42

Dear Dad,

I received Mama's letter several days ago but have been pretty busy and so I am a little late in answering. We have been making several hikes lately so I usually feel like going to bed early instead of writing letters.

We have a pool table in the recreation room so I am learning to shoot pool. I only get around to it about once a week though so I'm not learning very fast.

I have found out what a sergeant major is. It is what is now known as first sgt.

The Troop went for a practice drive this morning. I drove a scout car. They weigh 11,000 lbs. and mount several guns. They are fun to drive.

As you can see by the letter head this is an Infantry Div. so we drill by Inf. regulations. It is quite different from what I had at Camp. It is rather late so I will close. Love to all Russell
