Dear Mama + all,

I received your letter while I was in the field. We were outside all of last week. The weather was pretty nice. It was a little cold one night and rained Friday. The rest of the week was fine.

We spent most of the week in Pennyville State Park. I'm not sure that's the ~~see~~ way to spell it. Anyway its a real nice place. It has a small lake and several cabins.

I heard from Dorothy today. She wrote a nice long letter. I haven't heard from Bill lately. I may owe him a letter ~~Id~~ I'm not certain.

Well theres not much to write about here. I'll ~~probably~~ be in the field about half the time from now until maneuvers, so you might not hear from me so often. I think the next time we go out we stay about two weeks.

I don't think the "boys" will fuss much about a "G. I. Bunk" now. I know I won't. I believe

~~and~~ I'll see how mine is now. Hi!

Love to all

Russell
