Dear Dorothy,

I have just finished a long letter to Billy who is now in Cal. I suppose you know that he's in the army. I know he must be pretty blue so I tried to cheer him somewhat with a nice long letter. Something very rare for me. Usually I just barely fill one page. I can't find your last letter so if I leave any question unanswered you will have to ask again.

You knew that I am going to radio school didn't you? I'm taking about ten words per minute. I think I would have been doing better but I missed the week I was home.

It took me so long to write Billy's letter that it's about time for bed.

I saw a good picture this afternoon. I would have enjoyed it much more if I could have kept from thinking about Johnny. "Air Force". Have you seen it? It's about the Flying Fortress Crews. Write soon. — & Don't work too hard. By the way Mom said there was a new calf at the farm. Hi!
