Dear Mama + all,

I believe I owe you a letter. Our letters have been meeting haven't they?

I've been a little busier than usual. We have a new C.O. and ~~together~~ he and the Gen. have thought up plenty for us to do - Hi.

Another group of boys leave for furlough on the 12th. I think I'll get mine then. I wish I could wait until Dot. is home but of course I can't. Will Bernice's school be out by then?

I heard from John last week. Got it in short order. It was dated Apr. 21.

By the way I have two studio pictures now and another are ordered. I haven't had time to fix them for mailing so guess I will bring them when I come.

I don't have time to write much as I want to write John. I also owe Hurst a letter. Heard from him today. He's getting along O.K. Yes - I made Sgt. the first of the month. Hope to see you soon - don't work too hard. I heard a "martin" yesterday. Made me homesick - Hi. Love to all Russell
