

98TH RECONNAISSANCE TROOP
98TH INFANTRY DIVISION
CAMP BRECKINRIDGE
KENTUCKY

June 10, 1943

Dear Mama & all,

I made my connections just fine.
Caught a ride in Henderson with a guard detail
to camp. Got here about 12:30.

Meant to write last night but pulled
Change of Quarters - was so busy I didn't
have time.

It's not quite as hot here as it was
while I was home. Seems to be getting
warmer tho.

Heard from Dot today. Nothing new
from her. Said she was thinking about
the Cinny job. I think she should move
if she can. Would be much closer home.

Nothing new here that would be of inter-
est to you. I'll be "roughing it" for the
next two weeks. Hope it doesn't rain too
much. Take care of yourself.

P.S. I haven't told anyone about
the "Turkey" Buzzard. Hi!

Love to all
Russell
