98TH INFANTRY DIVISION
CAMP BRECKINRIDGE
KENTUCKY

August 19, 1943

Dear Mama & All,

First I will tell a little about my return trip. I caught the ~~eleven~~ eleven-thirty bus out of Nashville. Arrived in Henderson at 5:30 A.M. Caught a ride with one of the Troop Officers about 6:30 so I was only an hour late. Nothing was said.

Haven't heard anything about my transfer. It should come through any time.

I've just got off C.O. Was on duty since yesterday afternoon at 6 P.M.

We are having a field day program tomorrow. I don't think I will take any part in it - except maybe softball.

Hope Dad gets along O.K. with his teeth. He shouldn't work any until his gums heal. I'll send a money order the first of the month. Take care of yourself -
Love to all Russell
