Dear Dorothy,

I may not owe you a letter. Can't remember. As this is Sunday I have plenty of time so I'll drop you a line.

The Capt. gave me a three day pass last week. I was home from nine o'clock Sun. morning until almost noon Tuesday. I enjoyed the visit. Just didn't last long enough. Dad is having his teeth pulled. They are giving him quite a bit of trouble. He hasn't worked for three weeks unless he went back this week.

My transfer should come through any day. If I am still here after pay day maybe I can get over to see you. Sure hope I can.

When have you heard from Johnny? Last letter I had from him was dated Jul. 17.

I should write several more letters so I will close. Write soon.

Love

Russell
