

98TH RECONNAISSANCE TROOP
98TH INFANTRY DIVISION
CAMP BRECKINRIDGE
KENTUCKY

Aug. 21, 1943

Dear Mama & all,

Thanks for the birthday card from you & Dad.
Also got one from Alice. I'll write her soon.

I was in Camp Forrest last week. Went
down to ~~bring~~ get new jeeps. We brought
106 jeeps back in our Convoy. There were 4
more convoys about the same ~~of~~ size as ours.
We drove the 265 mi. in 10 hrs.

Received another letter from the Cadet
Board ~~today~~ yesterday. I have been transferred
to the Air Corp. unassigned - and am on detached
service with this troop. That means I
will stay with this outfit until I am called.
May have to go on maneuvers with them.

Heard from Dorothy last week. She expected
me to visit her on that three day pass I had.
I'm pretty sure I won't get another one before
leaving here but if I do I'll go see her.

Hope everybody is OK. Don't have much
more time so will close.

Love to all

Russell
