Sgts. D

Dear Dad,

I haven't written you for some time. Will try to write a few lines tonight.

Now is the farm coming along? I suppose it is pretty hard to get help these days.

As foolish as it seems and is I am taking basic training again. It is supposed to last only 10 days. I have been here 14 now. Expect to leave soon.

Will go to college for about 3 months. Don't know where I will go and have no choice of course. More than likely will go ~~to~~ somewhere in the middle west.

I am pulling KP tomorrow. Everyone pulls it here, that is all trainees, regardless of rank. Have to get up at 3 in the morning so guess I had better get to bed soon.

Hope your teeth aren't giving you too much trouble. Am enclosing a ten to help a little with your dentist bill.

Hope this finds everyone well.

Love to all,

Russell
