

UNIVERSITY OF ARKANSAS

Dec. 30, 1943

Dear Mama,

Was very glad to hear from you. Of course I understand that you don't have so much time to write - just don't worry about it.

I heard from one of the boys in my old outfit a few days ago. The 98th Rcv. Tr. was rated the best Rcv. troop in the maneuvers. They had one bad accident. One man was killed when a half-track overturned during a blackout movement. The troop is in Camp Rucker, Ala.

I wondered why Dorothy hadn't written. I didn't have any cards or would have sent her one.

I am planning to have some pictures made this Saturday. Meant to have them made by Christmas.

UNIVERSITY OF ARKANSAS

I received the package from Alice and Jewell. I owe Alice a letter I suppose.

Am enclosing a 10. If you don't ~~too~~ need it you can give to Caroline and Alice. Sorry I didn't get around to sending them anything.

Wish I could see the roses. I'll have to ask for a pass so I can see them. Hi!

Write when you can.

Love to all

Russell
