Dear Mama + all,

I have a two hour study period 5 nights a week now so Sunday is the only time I have for writing.

Have just come from church. Didn't get up in time for Sunday School this morning.

Thanks for the Co. paper. Received the first copy this past week. You might subscribe the Sunday Journal for me. Don't make it longer than 3 mo.

Glad no one has had the flu. Be careful that you don't.

Think I will go to the show this after noon. Guadalupe and Diary is on.

Did Dorothy move from 1260
Grace Ave.? A letter I wrote her
came back marked - "Gone - left no
address!"

I will have the pictures
I had made two weeks from
today. Looked at the proofs
yesterday.

Hope everyone is well.
Tell Caroline Hello.

Love to All

Russell
