

U. S. ARMY AIR FORCES

April 29, '44

Dear Mama,

Got in here last night. Have no idea how long I will be here. Might be transferred out this afternoon. Am not assigned to any outfit here as yet. As there is nothing here except ordnance I am quite sure I won't stay here long.

What ~~do~~ do you plan to do on the farm? With Dad away I don't see how much farming can be accomplished.

I came down here with about 25 other fellows so there are plenty of guys to chum with. Will write again as soon as I know the score. Love to all
