625TH ORDNANCE BASE AUTO MAINTENANCE BATTALION

Oct. 26, 1944

Dear Dorothy,

I won't call this a letter -
just a note to let you know what
my plans are for going home.
As you probably know Bill is to
be home until the middle of November.
Therefore I have decided to wait
until the first weekend after pay day
which is the 31st, to go home. I am
going by plane if possible. I called
the airport last night only to find
that they close at 8 P.M. Am on C.O.
tonight so didn't have a chance to call.
I guess I will be lucky if I get
a reservation. I can get only a three
day pass. If I can't get a plane I
will go by train if I can make it

in three days. I haven't asked
about train schedules. I am sure
I can get home quicker than the
last return trip I made. Quincy and
St. Louis are very much out of the way.
Hope to see you at home soon.

Love

Russell
