

Texarkana

24 Nov. 44

Dear Dorothy,

I started a letter to you several days ago - never did finish it. That accounts for the delay in answering your letter.

If you haven't already bought the lighter - wait until I send you the money. Could you also include a few extra wicks. I have used all of mine except one and I can't get them here. Please excuse this scrawl - it is late and after time for lights out.

I hope they deliver the watch soon. Don't let the delay bother you tho. I have no special need of it.
- over -

I saw (& heard) the Don
Cossack Chorus a few
nights ago in Texarkana.
We were working nights but
I managed to get a pass.
It was well worth the effort.

Their first number was the
national anthem - I wish
you could have heard them
sing it. Made me realize
what a beautiful song it is.

Had better close & get this
light out.

Love

Russell
