Dear Mamma,

I received your letter (Dec. 26) yesterday. Your card came before I left my last station but ~~not~~ I haven't received my package. If you can make that other package you mention fruit cake. It will keep better than most candies.

Glad you had a nice Christmas. Wish I could have been there. You didn't mention Jewell, though I suppose she had a few days home.

I am mailing my log and airman identification shortly. Let me know if you get it.

I have just ~~decided~~ decided to enclose the identification card in this letter - will send the log later. Hope everyone is well.

Love

Russell
