Dear Mama,

I wanted to send you a radiogram upon arrival here but couldn't. I suppose you will get this in a few days tho.

I left the states from Seattle even tho my APO is Calif. Thought I might find Bill in Seattle didn't. I doubt if he went through there on his way back.

I can't remember if I asked you to send the fruitcake, hope I did. Send it in a tin if you can.

Haven't received any mail since leaving Seattle - should get those two packages soon.

Oh yes - I was seasick on the way over - but not for long. Hope everybody is O.K. Love
Russell
