Dear Mother,

Received your letter with the church paper & program several days ago. The program sounded very interesting. Wish I could have heard it. Readers Digest has ^{had} several articles lately along that line.

I have a few pictures and negatives enclosed with this letter. Also a receipt for a bond allotment \$37.50, and a one dollar "short sweater".

It is signed by the boys I flew with in Texas. Be sure to save it for me.

There's nothing new here "as usual". The days are plenty hot but the nights are fairly cool which makes for good sleeping.

Does John expect to get home soon? By my estimate of his points he has more than enough. Write soon.

P.S. I hope you got the roses on Mother's Day.

Love
Russell
