Dear Mamma,

I was very glad to hear from you today. I needed a little good news to go with the bad. As you know the points won't be lowered again until Feb. 1st. That sets me back a month or more. ~~I want~~ So don't stop the letters until I give the word. It may be longer than I expect.

I'm really sorry to hear that the horses are sold.

I understand how it is the and am sure it was the thing to do.

I got all the packages

Air Mail 

you sent me. I'm sure I wrote you about them in a previous letter. Everyone in the tent enjoyed the fruit cake and I ate my share of it.

I'm looking forward to getting the newsletter with all the "events" of Christmas. Would liked to have seen Caroline that morning.

It's almost time for lights out - excuse the short letter. I'll write again soon.

Love to all
Russell
