Dear Dorothy,

I suppose you are wondering what happened to me. To make a long story short the man forgot to wake me. I came by the YW on my way to the bus terminal but didn't call for you. I didn't think you were there. Made the bus with only seconds to spare.

I left home on #15 today. I have a reservation on the

Tennessee so everything
is OK.

I enjoyed my visit in
Cincy very much. Joan is
a pretty swell kid. I'm
glad we heard (Kamberg)? That
was really worth while.

I'm not used to these
stock pens - hope you can
read this.

I have just finished
my visit with Aunt Grace.
Bill is a cute little boy.
Grace fixed me a supper -

it was after their supper
time when I arrived.

I want to write several
more letters so I had better
close. Sorry I had to
leave without seeing you
yesterday morning.

Love,

Russell

P. S. When Ed calls
tell him I said hello. Hi!
Write me by Lancing -
They will have my address
soon.
