Dear Alice -

I've been waiting long enough - I will answer your letter. Think I can do it and listen to Bob Hope's live? and hear Frances Langford sing? I can try.

Hope says an Army pup tent is an umbrella with air conditioning - that some of the fellows are so tall their "pups" stick out - that the top-kick doesn't have to hire a bugler - instead he goes around playing "this little piggy went to market."

Next time you spell including with an E I'm going to flunk you in spelling. Let's use an I next time, what d'ya say? But, honestly I'm proud of the grades

2
you've made. You can be
justly proud of them yourself.
Keep plugging - you can do even
better.

I hope Dorothy got home OK
and enjoyed her visit. But
how are you going to visit
Dorothy and Jewell when both
pair of your nice shoes are
almost worn through - and you
have no shoe stamps? Do you
want to go bad enough to go
in bare feet?

Russell is getting a tough
break if he has to go back to
the old outfit. I knew they
were closing a lot of the avia-
tion schools, but I never thought
they would discontinue the train-
ing of those who were already
in school. Seems like wasted
time, money, and effort.

I am the proud owner of a nice 5 by 7 picture of Miss McHavilland standing in front of our library. As soon as I can get a censor's stamp on it, I'll mail it home. I have some small ones of her that I will mail you too.

The ones enclosed were made several weeks ago - I may have already sent you the shot of McGuire and I. The other one is our company street as seen from near regimental hq, where I work.

Tell Bernice I'll write her within the next few days. I am behind as usual.

Be good - I'll be seeing you -

Love to all,
Bill
