

HEADQUARTERS 331ST ENGINEERS

Sept 24, 1942

APO 3083, c/o Postmaster,
Seattle, Washington

SUBJECT: Transmittal of Record.

TO : Mrs. J. L. Scott, Lansing, Tennessee, County of Morgan.

Enclosed herewith Insurance Policy of Cpl W. T. Scott, 34280952, forwarded to you for safekeeping. You may already have received a copy from the Veterans' Administration, but I have no need for this one, so here it is.

I had a letter from Uncle Joe yesterday. He told me that Cecil was living in Seattle, and gave me his address and phone number. I will pay him a visit if possible. I thought I would be gone before now, but I'm not, and have no idea where we will go, or when. Rumors are flying—but I won't even mention them—they are groundless.

As I said the other time I wrote you a letter in this form—read it and forget it, —I just wanted to send you this form. I'll write you later.

Love,

W.T.SCOTT,
