

Excursion Inlet Sept 22, 1943
to Adak?

Dear Mama -

I had a nice trip and
now I'm comfortably situated
at my new station - just
"somewhere in Alaska" to you
and a change in address
from 727 to 980 for APO no.
I'm going to like it here
better than the old station.

Your letter of Aug 31 was
one of the first to come here
~~here~~ for me - just one day
after my arrival. Right now
I have plenty of letters to
answer - 2 from Dorothy, 2
from Alice, 1 from Jewell,
1 from Russell - & several

others, including one from Edwin Beck. Haven't heard from Billy. I'm cutting all my letters short until I can catch up, then I'll do better.

Can't give you any satisfaction as yet on the recording, but will try to get one for you. Don't know my way around up here yet.

You're right - Oct 5 will mark the end of my first year up here - middle of April/44 will be two years in the Army.

So long 'til next time - will be soon, I promise.

Love to all - Bill
