APD 980 -

27 Mar 44

Dear Mom, Dad, & Everybody -

To the Easter Greeting in-
closed, I'll add - I would
give anything to be with you
on Easter Morning - I know
what you'll be doing. I will
be with you in spirit - just
remember, all of you, that
I'm well, safe, and secure -
getting more than I need to
eat - feeling fine. Would just
like to be home, that's all. Some
day I will.

My job at the Finance Office
ends officially tomorrow - I'll
be writing again real soon.

Take good care of yourselves -

Love to all

Bill
