Dear Dorothy -

In an effort to get my Easter Greetings out on time I'm writing just a short note to you, Jewell, and Mom. I got your letter several days ago but haven't gotten around to responding. I've been quartered away from my own company for the last two weeks and have used several of my evenings in visiting. I'm going back tomorrow - when I get settled again, I'll write you.

Take a look at Life magazine dated 13 March for some good pictures of the Aleutian Islands.

The Easter Card is the handiwork of my "photography pal", Jimmy Shurtzer - the writing is my own.
Love,
Bill
