Dear Friend,

Your son William has been attending our Protestant Church Services. We were especially happy to see him at our Easter celebration.

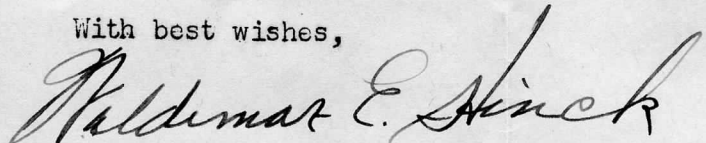

The story of the risen Christ is of particular importance to us at this time. We know that Christ won the greatest victory for us. He conquered sin, death, and the power of the devil. His Resurrection from the dead proves that He is the Son of God and that His Word is the Truth; that our Heavenly Father accepted His Sacrifice for the redemption of the world; and that we who have faith in Him shall live with Him in eternal peace, joy, and glory.

Most of the men, who attend our services, had God-fearing parents, who taught them to love Jesus their Savior and Lord and treasure God's Word. However, there are always some who had paid little attention to their soul's Salvation. Now they are seeking their Lord.

Our Church worship consists of a number of Christ-centered hymns; a confession of our sins and prayer for forgiveness with God's assurance of mercy and pardon; a Responsive reading; several selections from God's word; the professing of our Faith in the words of the Apostle's Creed; a sermon which presents Christ as our only Savior, and applies His remedy to our daily needs; prayers for the men's welfare, for their loved ones at home, for peace, and for our enemies.

We consider it a privilege to be able to be with the men during this trying period of their lives, to share their hardships and problems, and to strengthen them in their faith in the Savior. If we can be of any assistance to you, please feel free to call upon us.

With best wishes,

WALDEMAR E. HINCK
