my return to Adak,
Aleutians - after furlough

20 Dec 1944

Dear Mom -

This is my "arrived safely" card to you. I must go to work in a few minutes so this will be short.

I can't tell you the name of the ship, her size, number of troops, etc - but I can say she was a good one and I had a wonderful voyage. Had a stateroom with two other fellows - took our meals in the dining salon - music via PA system on deck every day - beautiful weather most all the way and only two days of rough water. Will write more after I get settled. Love to all
Bill
