Dear Mom -

Here I am again with more pictures. I didn't get my locker cleared for mailing tonight-to-day rather. Maybe I can make it tomorrow.

I took a long walk this evening, soon after supper. Guess I walked about 3 miles. Tired me out, after 10 hours in the office, but I need a little physical exertion to make me sleep -

Love,
Bill

Dear Sir -

I am again with more
pictures. I didn't get my
camera for nearly tonight -
my mother says I can make
it tomorrow.

I took a long walk this
evening, soon after supper. I

walked about 3 miles. I
was out after 10 hours in the
office, but I was a little
physically exertion to walk the
steps.

Yours
Bill
