Dear Mom & Alice -

I sure you both but things are about to pop up here so I'm getting off some hurried notes. When you write again address me at Company A, 331st Engrs, APO 980, Seattle. I expect to leave here about the 8th - should arrive at Adak about the 12th or 13th. My fast-locker will be on the way soon - and I should get away from Adak definitely before the 1st of November. Will furnish you more information from there.

These clippings enclosed are some previously overlooked in the rush when we moved up here.

Should be home before Xmas -

Love to all  
Bill
