Dear Mom -

Maybe you enjoy these brief notes - I surely don't mind writing them. It's ~~is~~ no trouble at all to fill up one page. Naturally, I have more pictures to send you.

I got a letter from Jewell couple of days ago - gave me all the dope from the new locality.

Russell writes that he wonders how I stood it in the Aleutians so long - he's in like circumstances just now.

Sunshine all day today - but a cold north wind blew away all the warmth - and it's still blowing tonight. Shades of Adak! Hope the tent stands for at least 5 or 6 more days.

Love to all

Bill
