Dear Mom -

One more short note - but no pictures this time. I've been carrying these corner fasteners around for months. Now I've sent all my pictures and both albums to you. You may as well have the fasteners. I'm trying to mail everything home that I can - that much less to carry.

We got our first snow last night - just enough to make the ground white, like a heavy frost. There has been light snowfalls on the distant mountain peaks several times, but this is the first one on the "spit." We're practically at sea level - highest point is perhaps 15 or 20 feet.

Still sweating that boat - should be out of here within the week.

Love to all,

Bill
